

LES FINES LAMES LE PETIT SILVER SERIES OMNIA VANITAS

1

Latin for "*Everything is vanity*", the Omnia Vanitas pieces feature a remarkable intrication of Sterling silver skulls, in 3D for a different touch and feel of LE PETIT.

But beyond this captivating aesthetics lies the profound "*Memento Mori*" philosophy. A reminder that, much like a fine cigar, life is meant to be appreciated and savored to the fullest.

Meaning "*Remember that you must die*", it is a poignant urge to reflect on our mortality and appreciate life with a purpose.
