

PIPELINE

1

Combining elegant, classic styling with the dependable functionality of a flint ignition, the XIKAR Pipeline receives an upgraded body treatment with three new color combinations.

This essential lighter for all cigar and pipe enthusiasts features a stainless steel body and retro-styled hinged flame cover. The lighter is refillable with XIKAR Premium or High Performance butane. Additionally, pipe smokers will love the integrated tamper and scraper on the bottom.

Product Features

- Soft flame
- Flint ignition
- Durable plated finish
- Classic slim design
- Adjustable flame height
- Integrated pipe scraper and tamper
